WestScot Limited Partnership (WestScot) has been granted certain operating authority contingent upon its compliance with the requirements of Order No. 3448, served January 4, 1990.

WestScot's compliance deadline expired on Monday, February 5, 1990. On that date, WestScot filed a Motion to Extend Compliance Period. By its motion WestScot seeks to extend the time for complying with the terms of Order No. 3448 to February 16, 1990.
